Design Methods

Affinity diagramming

Design critique

Design ideation

Design sketching

Ethnography

Interviewing

Personas

Prototyping

Usability testing

Wireframing

Recent Design Projects

Domestic Experience and Disaster Touring

- Designed a mobile app to enhance visitors' experiences in disaster-hit areas by navigating them through the paths of local residents' daily lives and providing timelines to contrast the pre-disaster, among-disaster, and post-disaster living conditions

Visual Design Projects in the Course of Visual Literacy in HCI

- Utilized graphic design tools to create clarity of visual expression and meaning making in the context of HCI

Tools

Adobe Illustrator

Adobe Dreamweaver

Adobe Fireworks

Adobe InDesign

Adobe Lightroom

Adobe Photoshop

Microsoft Office Suite

Work Experience

Associate Instructor

Indiana University | Bloomington, IN, USA | Aug. 2011~Present

- Led practice sessions for the capstone course, "Designing and Developing Information Systems"
- Helped students develop project proposals, feature lists and use cases by mentoring them in design practices
- Critiqued and graded student design work, facilitating student growth and reflection

Programming

C++

HTML/CSS

JavaScript/jQuery

Research Assistant

Academia Sinica | Taipei, Taiwan | Aug. 2010~Jun. 2011

- Collected and analyzed economic data for academic research

Languages

Mandarin (native)

English (fluent)

Other Experience

Benevolence/Technology/Humanity National Web Design Competition

Chinese Professional Management Association | Taipei, Taiwan | Aug. 2011

- Won 1st place in the "Cultural Web Design" challenge
- Designed and developed Ma Zu Fever, a website introducing Taiwanese traditional religious belief
